A Message from the Associate Director

Joining TekWissen in February 2025 has been a high-impact chapter one that's been both energizing and deeply fulfilling. From day one, I've had the opportunity to work closely with our U.S. leadership on strategic client initiatives while also leading efforts in India to accelerate our market presence. This dual exposure has offered a front-row seat to how TekWissen delivers value at scale driven by alignment, accountability, and an unwavering focus on outcomes. What sets this organization apart is its culture: built on trust, empowered ownership, and the kind of agility that allows teams to lead boldly and move fast. It's been inspiring to see how this culture translates into real results whether that's in expanding our global client pipeline or fostering innovation that makes a difference.

To all the rising talent across TekWissen this is your runway. If you're hungry to learn, willing to take initiative, and ready to challenge the status quo, there's no ceiling to how far you can grow here. You're not just doing a job you're building a career with global exposure, strong mentorship, and the chance to leave your mark. TekWissen encourages ownership at every level, celebrates wins (big and small), and truly believes that growth is most meaningful when it's shared. Lean in, stay curious, and take the leap you'll be amazed at what's possible.

Looking ahead, I'm especially excited about the launch of our second headquarters in Bangalore. It's a bold step forward and a clear signal of our commitment to investing in India's exceptional talent and innovation ecosystem. With Bangalore continuing to lead the way for global capability centers (GCCs), I'm looking forward to building stronger partnerships, exploring new collaboration opportunities, and contributing in every way possible to make this next chapter a powerful one for our clients, our teams, and the TekWissen community.

MURALEEDHAR KRISHNA

-Associate Director

ANNOUNCEMENTS

TekWissen Shines at the GCC India Summit 2025

On 19th July 2025, our leadership team proudly represented TekWissen at the GCC India Summit in Bangalore, an event that proved to be an impactful platform for learning, connection, and growth.

The summit offered deep insights into the evolving priorities of Global Capability Centers (GCCs), highlighting key focus areas such as digital transformation, talent agility, and the power of strategic partnerships. It was an invaluable opportunity for our team to engage in meaningful conversations with senior leaders from diverse sectors including IT, BFSI, healthcare, and manufacturing.

For TekWissen, the summit was far more than a networking event—it was a chance to:

Showcase our tailored solutions that address the unique challenges of modern GCCs.

Enhance our brand visibility among industry thought leaders and decision-makers.

Explore new partnership opportunities that align with our mission to deliver smarter workforce strategies at scale.

Participating in events like the GCC India Summit reinforces TekWissen's commitment to staying at the forefront of industry trends and shaping the future of talent solutions for global enterprises.

We look forward to leveraging the insights and connections gained to drive continued innovation and success for both TekWissen and our clients.

TekWissen Named Among Best Leadership Teams of 2025 by Comparably!

We're thrilled to share that TekWissen has been recognized with the Comparably Award for Best Leadership Teams 2025! This recognition is a true reflection of our unwavering commitment to visionary leadership, collaborative culture, and people-first decision making. At TekWissen, our leaders don't just guide; they inspire, empower, and elevate every individual across our global teams.

From championing innovation to putting people at the center of every decision, our leaders don't just lead they ignite progress and build cultures that thrive.

But let's be honest great leadership is nothing without great people. To our teams across the globe, you are the force behind this recognition. Your trust, passion, and hustle push us forward and make TekWissen what it is today.

To our leaders thank you for leading with purpose.

To our teams thank you for trusting the journey.

Here's to bold decisions, big dreams, and a leadership culture that actually walks the talk.

Celebrating Excellence- Sushanth Jeremiah Named One of India's Top 100 People Managers

We are thrilled to share a proud moment for the TekWissen family! Our very own Sushanth Jeremiah has been recognized as one of the Top 100 Great People Managers in India at the prestigious GML Summit 2025, hosted by the Great Manager Institute®.

This incredible recognition reflects not only Sushanth's unwavering commitment to leadership and people development, but also underscores the strong culture of mentorship, growth, and excellence that we strive to foster across TekWissen.

"Great managers don't just lead people – they inspire greatness in them."

We congratulate Sushanth on this well-deserved honor and thank him for setting such a high standard of leadership within our organization.

Let's continue to celebrate and support leaders like Sushanth who make TekWissen a great place to grow!

THE GRAND OPENING OF TEKWISSEN'S NEW BANGALORE FACILITY!

At TekWissen, every milestone we reach is powered by the dedication, talent, and collaborative spirit of our people. Today, we're thrilled to share an exciting chapter in our journey of growth and innovation: we're opening our second facility in Bangalore!

This new space stands as a testament to the incredible work, passion, and commitment each one of you brings to our mission every day. It's more than just an office it's a symbol of our expanding impact, our shared ambitions, and the bright future that lies ahead for all of us at TekWissen.

To mark this special occasion, we warmly invite all team members to join us for the grand inauguration ceremony on 18th July 2025, where we'll celebrate this achievement together and look forward to the opportunities this new facility will unlock.

Why This Matters:

This new facility represents much more than additional space. It reflects our collective growth, the expanding horizons of our business, and the confidence our clients and partners place in us. It's a place where new ideas will flourish, teams will collaborate, and our journey of innovation will continue stronger than ever.

You're Invited: Be Part of TekWissen's Next Big Chapter!

We're excited to share a proud moment in TekWissen's journey and we want you to be a part of it! As we continue to grow and scale new heights, we're thrilled to announce the opening of our second facility in Bangalore a testament to the incredible work, dedication, and passion that each one of you brings to our mission. We warmly invite you to join us for the grand inauguration ceremony as we celebrate this milestone together.

Why This Matters:

This new facility represents more than just space it reflects our shared growth, our expanding impact, and the exciting road ahead. Your presence will make this celebration all the more meaningful.

We can't wait to celebrate with you!

18th JULY 2025 | 06.00 PM IST

TekWissen Software Pvt. Ltd. 1st Floor, Prestige Omega,
Rd Number 2, Vijayanagar, EPIP Zone,
Whitefield, Bengaluru - 560066.

We can't wait to celebrate this milestone with you all!

WE'RE GROWING!

WELCOMING A NEW CHAPTER IN LUCKNOW

With great excitement, we announce the grand opening of our newest office in Lucknow, India—a city known for its vibrant culture, exceptional talent, and spirit of innovation.

This strategic expansion marks another important step in our journey to deliver agile, global workforce solutions while staying connected to the communities we serve. Our presence in Lucknow allows us to further strengthen our regional operations, attract top-tier talent, and better support our clients across geographies.

Leading this new endeavor is Akash Srivastava, a long-standing and respected member of the TekWissen® family. Akash now steps into the role of Director of Operations – Lucknow Branch, bringing with him years of operational excellence, strategic insight, and a leadership style grounded in collaboration and trust. We are confident that under his guidance, the Lucknow office will thrive and become a dynamic hub of innovation and execution.

As we celebrate this exciting milestone, we also extend a warm welcome to the new team members joining us in Lucknow. Your journey with TekWissen begins at a pivotal moment, and we're thrilled to have you onboard.

Here's to new beginnings, stronger partnerships, and the continued pursuit of excellence—together.

CELEBRATING MILESTONES AND MOMENTUM – TEKWISSEN’S GROWING PARTNERSHIP WITH THERMOFISHER

At TekWissen, growth is more than numbers it’s about the partnerships we build and the people whose talent fuels success. We’re thrilled to share an exciting update from our ongoing collaboration with **ThermoFisher**, reflecting a significant milestone and a bold vision for the future.

We’ve officially reached a headcount of 100 team members placed at ThermoFisher! This achievement marks a tremendous leap forward and is a testament to the collective dedication, expertise, and seamless teamwork that define TekWissen.

In response to this remarkable growth, our team, including our Managing Director Manish Senta, joined forces with Natalie, Martin, and our partners at ThermoFisher to explore ways we could further support and scale this success. As part of this initiative, the team traveled to Pennsylvania, where they connected over a meaningful dinner with several of the talented individuals TekWissen has proudly placed at ThermoFisher.

The following morning was dedicated to strategic discussions with ThermoFisher’s Plant Manager, Line Leader, and HR Managers, focused on two key goals:

- Scaling the current success model to additional locations
- Supporting career progression for talent from operator roles to technical positions

The conversations were not only productive but deeply inspiring, underscoring our shared commitment to growth, talent development, and operational excellence. Looking ahead, the team has set an ambitious target to increase our headcount from 100 to 250 in the coming quarter.

This milestone is a powerful reminder that our success is built on trust, partnership, and a relentless focus on people. Congratulations to everyone who has contributed to making this vision a reality and here’s to achieving even greater heights together!

A SWEET NOTE OF APPRECIATION FROM OUR CLIENT – HERSHEY!

At TekWissen, we believe that true success is measured not just by the work we deliver, but by the trust and partnership we build with our clients. Today, we're thrilled to share a moment of pride and gratitude that speaks volumes about the incredible talent and dedication of our team.

During the recent AGS Strategic Supplier Forum, our valued client, Hershey PMO, shared the following words of appreciation for TekWissen:

"On behalf of the **Hershey PMO team**, I wanted to take a moment to express our heartfelt gratitude and appreciation for your exceptional strategic partnership. Your team has been instrumental in supporting our program, providing outstanding service and remarkable talent. Thanks to your collective efforts, our Program and client are in a much better place.

We especially wanted to shout out **Anusha Kotagiri**; she partners closely with the PMO team and has had excellent communication, collaboration and partnership. Please join us in celebrating the incredible value your team brings to our Program. Your contributions have made a significant impact, and we are truly grateful for everything you do. Thank you once again for your continued support and dedication."

This feedback reflects the dedication, expertise, and collaborative spirit that define TekWissen. Special kudos to **Anusha Kotagiri** for her outstanding partnership and impactful work with the Hershey PMO team. Anusha's efforts exemplify the high standards of communication, teamwork, and client focus that drive our success.

To the entire Hershey program team and everyone working tirelessly behind the scenes: Thank you for your commitment, innovation, and the excellence you bring every day. Your work doesn't just support our clients—it builds strong, trusted relationships that are the foundation of TekWissen's reputation.

Let's continue to celebrate these moments and keep raising the bar together!

Welcome Aboard – Sapna Ramesh

Our New Associate Director for India Operations!

Sapna Ramesh

Associate Director – India Staffing

We're delighted to announce that Sapna Ramesh has joined TekWissen this June as our new Associate Director – India Operations.

Sapna brings with her a remarkable two decades of experience spanning Sales, Business Development, Customer Relationship Management, and Strategic Account Management across the information technology and services industry. Her impressive background includes leadership roles at FastTek Global, Altimetrik, VySystems, and HTC Global Services, where she excelled in driving revenue growth, client retention, and operational excellence.

As Associate Director, Sapna will be pivotal in steering TekWissen's India operations, strengthening client partnerships, and contributing to strategic growth initiatives across the region. She also brings unique perspectives from her earlier career as an Advocate, showcasing her versatile skill set and passion for working with people.

Please join us in giving Sapna a warm TekWissen welcome! We're excited for the expertise, energy, and vision she brings to our team.

Welcome to the TekWissen family, Sapna!

Welcoming Our New Clients to the TekWissen Network

We're excited to announce the addition of two esteemed organizations to the growing TekWissen client family! These new partnerships reflect our continued commitment to delivering tailored workforce solutions across diverse industries.

Hanover Insurance Company

A leading provider of property and casualty insurance, Hanover brings a long-standing legacy of excellence and service. We're proud to support their talent needs and contribute to their mission of delivering peace of mind to customers nationwide.

Southern California Edison (SCE)

One of the nation's largest electric utilities, SCE serves millions across central, coastal, and southern California. We're honored to partner with them in powering their workforce as they lead innovation in clean energy.

We look forward to building strong, impactful relationships with both teams and supporting their continued success!

EMPLOYEE SPOTLIGHT

Word from Accounts Receivable Manager

Hi, I'm Lakshmi Tulasi, and I'm thrilled to share a little about myself with you all! I completed my PGDBA in Finance from Symbiosis. I've had the pleasure of being a part of TekWissen for the past five months. In this short period, I've been fortunate to work with some incredibly talented colleagues in a dynamic, fast-paced environment that encourages innovation and growth.

-Lakshmi Tulasi

Word from Program Lead

Myself Potugari Murali and I do have 12 years of experience in US Recruitment with a deep understanding of the end-to-end hiring lifecycle. I have successfully navigated the complexities of sourcing, screening, and placing top-tier talents with NBC Universal and PG&E.

-Potugari Murali

TALENT HOUSE

Spotlight on Talent – Unveiling Hidden Creativity in Our Monthly Talent House

At TekWissen, we believe that our people are our greatest asset not only for their professional skills but for the incredible passions and talents they bring beyond the workplace. Each month, our Talent House initiative celebrates the diverse creative expressions that make our community unique and vibrant.

This month, we're thrilled to feature a remarkable piece from one of our talented trainees (Tattikota Harshini), who has a deep passion for pencil sketching. With an eye for detail and an artistic flair, their sketches capture the beauty, emotion, and intricacies of life, transforming simple graphite lines into powerful works of art.

Their submission to our Monthly Talent House document is a testament to how creativity flourishes even amidst busy schedules. It reminds us that artistic pursuits are not only a source of personal joy but also a wonderful way to inspire and connect with those around us.

We extend our heartfelt thanks to our talented trainee for sharing their artwork with the TekWissen family. Your creativity is an inspiration, and we look forward to seeing more hidden gems from across our team in future editions.

Let's continue to celebrate the creativity that makes TekWissen extraordinary one talent at a time.

EVENTS

Celebrating Fatherhood: Honoring Our Everyday Heroes This Father's Day

We celebrate not just the professionals our employees are but the loving, devoted individuals they are beyond the workplace. This Father's Day, we took a special moment to honor one of the most meaningful roles many of our team members hold: being a dad.

In a heartfelt celebration, we invited all our working fathers to share precious snapshots with their children a glimpse into the joy, love, and pride that fills their lives outside of work. These photographs told beautiful stories of bonding, playfulness, and quiet moments that reflect the essence of fatherhood.

To make the occasion even more memorable, each of these cherished memories was thoughtfully curated into a customized photo frame a small token of appreciation, designed to celebrate their timeless role as caregivers, mentors, and everyday heroes.

The joy and gratitude these framed memories brought to our team was a powerful reminder: behind every professional is a personal story, and behind every role is a human heart.

At TekWissen, we're proud to cultivate a culture that recognizes the whole person, values the family behind the employee, and takes every opportunity to celebrate life's most meaningful moments.

To all our incredible fathers thank you for the love you give, both at home and here at work. You inspire us every day.

Here's to strong fathers, lasting memories, and workplaces that feel like family.

Pedal for the Planet!

TekWissen employees proudly participated in Decathlon's World Cycling Day event on June 7, 2025, commemorating the 53rd World Environment Day with the powerful theme:

"Ending Plastic Pollution"

With the tagline:

"Let's pedal together for fitness, fun, and the love of cycling!"

Our team joined the ride to promote sustainable living and raise awareness about reducing plastic use.

This community-driven cycling event brought together people of all ages, fitness levels, and eco-conscious spirits.

Participants received eco-kits and reusable bottles, promoting plastic-free habits.

The ride passed through nature-rich, clean routes – inspiring a deep connection with the environment.

Informative sessions on fitness, recycling, and sustainability added impact to the cause.

At TekWissen, we believe small actions lead to big changes.

By choosing the cycle path, we take one more step toward reducing carbon footprints and protecting the planet for future generations.

Let's keep the wheels turning for a cleaner, greener future.

Celebrating Pride Month – Honoring Diversity, Embracing Inclusion

At TekWissen, we believe that diversity is not just a value it's our strength. As we recognize **Pride Month**, we proudly stand in solidarity with the LGBTQIA+ community and reaffirm our commitment to creating a workplace where **everyone feels seen, heard, respected, and celebrated**.

Pride Month is more than a celebration; it's a reminder of the progress made and the work that remains in the journey toward equality and acceptance. It's a time to honor courage, uplift voices, and reflect on the power of inclusion in shaping a culture of belonging.

As a diverse and forward-thinking organization, TekWissen continuously strives to:

- Create safe, inclusive spaces where individuals can bring their authentic selves to work.
- Educate and raise awareness through dialogue and learning.
- Support policies and practices that promote equality across all dimensions of identity.

Throughout June, we take this opportunity to spotlight stories, share resources, and encourage respectful conversations that foster empathy and understanding. It's our way of making sure that **diversity isn't just acknowledged it's actively embraced** in everything we do.

To our LGBTQIA+ colleagues, clients, and community members: **we celebrate you not just this month, but every day.**

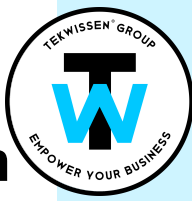

Let's continue to build a culture where pride isn't just a celebration, it's a principle we live by.

Together, we thrive in diversity. Together, we grow in unity.

Celebrating International Yoga Day A Step Towards Inner Balance at TekWissen

At TekWissen, we believe that a healthy mind and body are the foundation for personal and professional success. In celebration of International Yoga Day, we were honored to once again welcome Ms. A.V. Vijaya Lakshmi, a seasoned yoga trainer with over a decade of experience, to lead our wellness sessions.

Following the overwhelming response to her session last year, Ms. Vijaya Lakshmi returned with renewed energy and expertise—this time conducting multiple guided yoga sessions tailored to support employees across all shifts. Her calming presence and deep understanding of holistic wellness created an atmosphere of mindfulness, encouraging our teams to pause, breathe, and reconnect with themselves amidst their busy schedules.

These sessions are a reflection of TekWissen's ongoing commitment to employee wellness and work-life harmony. We understand the importance of creating moments of stillness in the fast-paced world of technology and consulting and we are proud to facilitate experiences that nurture both body and mind.

A heartfelt thank you to Ms. A.V. Vijaya Lakshmi for her continued partnership, and to all our employees who took the time to show up for themselves.

Here's to more breath, balance, and well-being—on and off the mat.

Whether it was a gentle stretch to start the morning or a grounding practice to wind down a night shift, her sessions were thoughtfully designed to meet every employee where they were physically and mentally. From improved posture and breathing to reduced stress and renewed focus, the impact was deeply felt by all participants.

TekWissen Joins Hands for a Drug-Free Society – Cyclothon in Vizag

At TekWissen, we believe in walking—or pedaling—the talk when it comes to health, community impact, and social responsibility. This June, we were proud to be part of a powerful movement promoting a **drug-free society**, as **one of our senior-most employees, Mr. Manohar**, actively participated in the Cyclothon held in Visakhapatnam.

Organized by the **Narcotics Control Bureau (NCB)** in collaboration with EAGLE Visakhapatnam and Decathlon, the event was part of the nationwide ‘Nasha Mukta Bharat Pakhwada’ campaign. With over 100 enthusiastic cyclists, the Cyclothon carried the resonant message:

“Say Yes to Life, No to Drugs.”

Timed to coincide with the **International Day Against Drug Abuse and Illicit Trafficking** on June 26, the event aimed to raise awareness and reinforce unity in the fight against substance abuse.

Mr. Manohar's participation exemplifies the values we hold dear at **TekWissen**—leadership through action, commitment to well-being, and standing up for causes that matter. We applaud his initiative and spirit in representing our organization at such a meaningful community effort.

The event saw support from a wide network of stakeholders including EAGLE's Anti-Narcotics Task Force, State Bank of India (Siripuram Branch), and others—all united in their dedication to fostering a healthier, safer society.

We are proud of Mr. Manohar and all individuals who take the time and effort to support such causes. Together, we continue to build a culture rooted in wellness, responsibility, and collective growth.

Proud Moments for TekWissen at the Journalist Premier League (JPL) 2025!

We are honored to have been the official sponsor of the **Journalist Premier League (JPL) 2025**—a prestigious cricket tournament organized by the **Andhra Pradesh Union of Working Journalists (APUWJ)**, a distinguished organization established in 1957 that continues to empower journalists across the state.

The event was hosted under the leadership of:

Ravi Kumar Goud, Organizing Secretary – APUWJ Visakhapatnam

Chandu Yadav, President – Electronic Media, APUWJ Visakhapatnam

With the support of K. Ramu, President – APUWJ and Rama Chandra Rao, Secretary – APUWJ

TekWissen® proudly sponsored the Winner's Trophy, Runners-Up Trophy, and the entire tournament trophy set. As the official sponsor for the Electronic Media Division, we were privileged to host the JPL team at our office for the trophy unveiling and cheque handover ceremony, graced by our Director Mr. Rajeev Senta, who was also felicitated and invited to the grand opening ceremony.

Our colleagues **Srinivas Rajaram Punyamurtula (Ram)**, Mr. Kalyan Suresh Simma, and Mr. Manohar Boddeti had the honor of representing Team TekWissen at the inauguration and participated in the toss for the opening match.

From the opening day to the grand finale, TekWissen stood proudly alongside the JPL journey. During the final day trophy presentation, our enthusiastic team—including **Manohar Boddetti, Kalyan Suresh, Deepak Ratnam, Jyothsna Avala, Ravi Mortha, and Sashidhar Yeddu**—joined to celebrate the true spirit of sportsmanship and unity.

The core mission of the JPL was to promote health, fitness, and mental well-being among journalists—professionals who dedicate themselves daily to informing and empowering society. The tournament, held under floodlights, provided a vibrant platform for rejuvenation, camaraderie, and wellness through sport.

Department Spotlight

Driving Data-Driven Excellence – The DBMS Executive Team

At TekWissen, we know that **data is the backbone of smart decisions, seamless operations, and strategic growth**. Behind this crucial capability stands our talented DBMS Executive Team, playing a vital role in powering recruitment, performance tracking, and operational excellence across the organization.

As part of the **Personalization DBMS group**, the team is dedicated to continuously enhancing our **centralized database platform**, ensuring it remains robust, secure, and agile to support TekWissen's evolving needs.

Here's a glimpse into the invaluable work they do:

Empowering Data-Driven Recruitment

The team manages an extensive repository of candidate profiles, resumes, and applications, providing recruiters, hiring managers, and stakeholders with real-time, consistent access to critical data. This ensures a **smooth, collaborative hiring process** from application to onboarding, enabling us to attract and engage top talent efficiently.

Driving Performance Visibility

Beyond recruitment, the DBMS team spearheads Key Performance Indicator (KPI) management across all departments. Their work enables leadership to monitor performance trends, identify opportunities, and align departmental operations with broader organizational goals.

Supporting Strategic Partnerships

The team plays a pivotal role in the Request for Proposal (RFP) process, supporting the creation, coordination, and evaluation of vendor proposals. Their insights help secure the right partnerships to deliver successful project outcomes.

Ensuring Audit and Compliance

Maintaining data integrity and accountability is at the heart of the DBMS team's mission. They oversee audits and compliance activities, from monitoring outbound call activity and tracking resume interactions to ensuring precise and consistent resume parsing across our platforms.

Delivering Actionable Insights

The team is committed to turning complex data into clear, actionable reports on recruitment metrics, departmental performance, and platform usage. These insights empower decision-makers with the knowledge they need, precisely when they need it.

By seamlessly integrating **database optimization, analytics, KPI tracking, RFP management, audit oversight, and insightful reporting**, the DBMS Executive Team drives operational excellence and strengthens TekWissen's ability to make informed, strategic decisions.

We're grateful for their expertise, dedication, and collaborative spirit that keep TekWissen running smarter and stronger every day.

PET TALES OF THE MONTH

MEET BRUNO!

This month, we're excited to introduce Bruno, a 9-month-old pup who has stolen hearts with his intelligence, charm, and a very expressive face!

Bruno joined his family as a fluffy, energetic puppy and has grown into a bright companion full of personality. Always eager to show off, he's mastered an impressive set of tricks – from the basics like "sit", "shakehand", and "high-five", to more complex commands. But don't let his smarts fool you – Bruno's true love language is belly rubs, which he reserves for his favorite human. The moment they walk through the door, he flips over, ready for his daily dose of affection.

He's also a great communicator – letting out a distinct bark only when it's time for a potty break. But beware the doorbell! That's Bruno's cue to enthusiastically "announce" any visitors with a full-volume bark.

What makes him truly unforgettable? His adorably grumpy expression, which only adds to his cuteness and earns him extra cuddles and laughs. Despite still being a puppy, Bruno carries himself with surprising politeness – always friendly to guests, wagging his tail and offering gentle nudges.

With his playful spirit, affectionate cuddles, and loyal heart, Bruno is a cherished member of the family who continues to bring endless joy and laughter.

-Satyajyothi Gopa

JUNE ONBOARDS

Welcoming Our New Team Members

At TekWissen, we believe that every new team member brings unique skills, perspectives, and energy that enrich our workplace and drive us forward. This June, we're excited to introduce two talented professionals who have joined our growing family!

Please join us in giving a warm welcome to:

Chandra Karabuktha
– Deputy Manager

Chandra joins us with strong leadership skills and operational knowledge. His commitment to excellence and collaborative spirit will be instrumental in supporting our teams and achieving our organizational goals.

Bonu Rajesh
- Sr. Executive, Administration

Rajesh brings valuable experience and expertise in administrative operations. His attention to detail and dedication will play a key role in ensuring our daily operations run smoothly and efficiently.

Thank You!

Stay tuned for more fun activities and company news in our next newsletter!
